

Elite Installer™ Certificate

This Certificate is Presented to

HTS Voice & Data Systems

The above company is recognized by ICC as an exclusive installation partner known as an Elite Installer (EI).

EI is eligible to offer a 15 Year Performance Limited Warranty on structured cabling installations supported by ICC. The entire system must use ICC products* to guarantee performance and qualify this warranty.

EI also receive exclusive privileges; such as project discounts, priority shipping, and direct support from ICC's sales, marketing and technical teams.
